SHOWING GOD'S LOVE THROUGHOUT THE BOROUGH OF SOUTHEND

The vision of Flourish Women's Conferences is to equip you spiritually & encourage you to be all that God has called you to be.

A true relationship with God is not about rules & regulations - but total life transformation. That's what God has in store for those who truly seek Him - an abiding relationship with Him that changes you from the inside out. A deep connection that overflows into every area of your life.

Flourish speakers: come and hear these truly inspiring testimonies that will help you break down walls and pursue true intimacy with God.

Birgit Whelan had a dramatic conversion experience at the age of 20 after having been deeply involved in the occult. Birgit has a passion for communicating the reality & grace of God to those who are spiritually seeking & the hope that can be found in Him for those who are hurting.

Sarah Griggs is PA to evangelist Tony Anthony at Avanti Ministries. Her upbringing & childhood was troubled for many reasons. Sarah later married Mark & started a family; strain started to show in their marriage & incredibly this was when they both found God & restoration in their relationship occurred.

Kalbi Massey the daughter of a Sikh priest, attended the Sikh temple in West Malaysia for 21 years following the rituals of her family religion. An amazing encounter while in hospital with the Saviour of the World changed her life & Kalbi was healed from pulmonary tuberculosis & infertility. Kalbi's passion is to share the Gospel of Jesus Christ & teach the Bible.

Tina Russell Mott Just as the 'Woman at the Well' (John 4:11) had many relationships before she met Jesus, Tina too had many relationships in & outside of marriage. Tina then met with Jesus & entered the greatest relationship of them all. Jesus' grace & mercy has taken her on a journey of healing, restoration, deliverance & repentance. Through it all He has demonstrated how great his love really is.
